Timeline: Construction Photos for the Law School Building from groundbreaking through August 01, 2006

Last modified: 08.10.06

[print-friendly version](#)

GROUNDBREAKING!
(l. to r): President Papadakis, Hon. Sandra Shultz Neuman, Joseph Jacovini, Esq. Donna Murasko, and Carl "Tobey" Oxholm, III

2.14.06: After groundbreaking: Heavy equipment clears the land while drilling begins for caissons for the foundation.

3.13.06: Excavating additional ground for foundation. Major drainage pipe and connecting line laid in soil.

3.20.06: Pouring the concrete foundation.

3.27.06: The steel has arrived!

04.03.06: Steel cross-beams for second floor begun.

04.10.06: Crane adds more steel; seen from the rear of the building.

5.08.06: Rear view of building with all four floors framed out.

5.15.06: Front view of building with bowed window/2-storey atrium.
